

THE  
**PALM COURT**  
LOUNGE

The Palm court with its light and airy sun lounge and terrace, is often referred to as 'a temple of art deco'.

An exquisite feature of The Palm court lounge is the stained glass dome on the ceiling. A mesmerising kaleidoscope of blues, greens and turquoise. It was commissioned in 1929 by Archie Nettlefold, and it was under the up and coming architect Matthew Dawson, that Jane Wailes one of his proteges, created detailed drawings of the decadent Peacock dome that continues to adorn the ceiling of this beautiful space today.

The Palm Court lounge enlightens guests with its calm, airy ambience and an upliftingly bright sun lounge. It's the perfect spot to relax whilst listening to gentle music from the era or indulging in a light bite and a refreshing beverage. It is so easy to drift off back to a bygone era and imagine some of our iconic historical guests of the past, including Agatha Christie and Noel Coward, doing just the same.
